3.	3. The owner must attach a copy of the mare's registration papers to this agreement and provide all other information as requester agrees to breed the mare specified. If a mare change/substitution is needed, the first substitution is free of charge. Each addition will have a \$150 charge, unless extenuating circumstances apply. If that is the case, please give us a call.						
	Mare shall be bred through the use of an intracytoplasmic sperm injection ("ICSI") procedure into the cytoplasm of a mature oocyte, which physically causes fertilization. Mare Owner may choose to work with any approved facility to have their mares' oocytes injected. Please see the attached list of approved facilities that will have access to the semen for the ICSI procedure.						
Э.	Frozen semen will be used for this contract unless fresh semen is available AND requested. This contract provides for one (1) Breeder's Certificate. If multiple embryos are produced from this ICSI procedure, it will be the responsibility of the Mare Owner to notify BVSS of the number of embryos produced. If not reported by November 15th, the mare owner will be responsible for all late fees (\$100 per embryo). Stallion Breeding Reports are prepared immediately after the end of breeding season. I all embryos fail, a rebreed contract would be granted. A fine of \$1,000 will be issued for injecting oocyte(s) on any other mare without
